

# SERRA FOOTBALL BOOSTERS

## MEMBERSHIP FORM

We are gearing up for the 2018 football season and we need your support! This membership drive is the football booster club's request for financial support to help support your Serra Football Players. The average registration fee for a Pop Warner football program in San Diego is approximately \$350. Although your Serra Football Program does get funding from the school and the district, it's less than a tenth of Pop Warner's per player fee, a fraction in comparison. **Your membership donation of \$75 or more** makes this program happen! Without memberships and fundraisers the program would not have new uniforms, equipment, practice gear, supplies, weekly feeds, year-end banquets and so much more!

**With your donation, you will be a member of the Serra Football Boosters for the 2018 Football Season, can vote on matters before the booster club, and can take the pride in knowing you helped to build up this program.** Please complete the below form and return it to Coach Smith, or myself, along with your donation.

For further questions or concerns, please contact us at [serrafootballboosters@gmail.com](mailto:serrafootballboosters@gmail.com).

Thank you and welcome to the Serra Football Family!
